

AMMENDMENT TO CONSTITUTION ADOPTED 3/12/2015

Previous bylaw 2e.

2e. Club membership dues shall be due at the end of the anniversary month of membership. Membership fees shall be determined by the Executive Board prior to the last meeting of the calendar year, and shall be presented to the club body for approval. Dues shall be due in January for all members who joined prior to 1/2009.

New Bylaw 2e.

Annual club membership dues shall be generally based on the riding season and due on March 1. The following formula will be used for renewals: All new members joining the club will pay a full years dues upon joining. If a new member joins prior to June 1 of a calendar year, the date for renewal will be due the following March 1. If a new member joins June 1 or after, the first renewal will be due on the 12 month anniversary of the join date. That renewal will then be a partial year renewal and pro-rated to the next March 1. For the purposes of determining renewal discounts and voting rights, points will also be pro-rated when applicable.

Any changes necessary in membership fees shall be determined by the Executive Board prior to the last meeting of the calendar year, and shall be presented to the club body for approval.

Note: Current members prior to this amendment shall be renewed as follows: Members who had a renewal date between January and June 1 shall now be due on March 1. Members who had a renewal date June 1 and after will renew according to the above mentioned pro-rated formula for the first renewal following this amendment.
